MBA, BSc (Hons) Geography

Interests

Football, Rugby and Food

Career summary

Gordon joined BAA in February 2007 adding air transport to his extensive public transport experience. He has held a number of senior management positions with leading transport operators, including commercial, general management and business development roles. Prior to this he spent 10 years in Transport Consultancy. Recently, Gordon worked closely with key transport stakeholders and has taken leading roles in franchise and PFI bid work, complementing his experience in growing established operational businesses.
