Buses temporarily
relocated to coach park
8th March - June 2010

Please bear with us as
we invest in our Airport

investing in our future: Edinburgh Airport

We're constantly investing in and upgrading our airport. We aim to be Scotland's airport of choice and that means we're continually improving our service and our infrastructure. At the moment, we're improving the airport forecourt which means we've had to move the bus stops from the front of the terminal to the coach park for a short while. Whilst we do this work, we will try to keep the disruption to a minimum and ensure that your journey is as easy as possible. Please follow the map below and the signs we've put up to find your bus stop. The bus stop numbers are listed overleaf. The bus stop numbers are listed overleaf. Thank you for your patience.
